Contact Information

The OncoLink Team is interested in your opinions and feedback. We try to answer every email we receive. Due to the high volume of interest in our materials, that is not always possible. Please understand that any correspondence with OncoLink is subject to our Privacy Statement. Your submission indicates your acceptance of this statement.

OncoLink is designed for educational purposes only and is not engaged in rendering medical advice or professional services. The information provided through OncoLink should not be used for diagnosing or treating a health problem or a disease. It is not a substitute for professional care. If you have or suspect you may have a health problem, you should consult your health care provider.

Please direct your questions or comment to one of the following areas:

- Comment on OncoLink Content
- Order brochures for my cancer center
- Newsletter (Unsubscribe, update an email address or subscribe) (subscribe to the Spanish newsletter)
- Having a technical problem
- Interested in Partnerships with OncoLink
- Other comments

Strategic Partnerships and Sponsorships

OncoLink is actively seeking strategic partnerships with like-minded organizations to work with us and support our mission. We currently have opportunities for educational content sponsorship, corporate banner-related awareness of your products or services, and grant support of our patient or healthcare focused programs. Let us work with you to create a mutually beneficial partnership.

For more detailed information on our partnerships please contact:

Maggie Hampshire RN, BSN, OCN
Director of Strategic Partnerships
Department of Radiation Oncology
The Perelman Center for Advanced Medicine
3400 Civic Center Blvd
Suite 2338
Philadelphia, PA 19104
215-349-8895
215-349-5445 (fax)
hampshire@pennmedicine.upenn.edu
