Don't look at me
With pity in your eyes.
Don't say . what next?
Referring to my demise

Cancer has shown me
What real life can be
Life has more meaning now
That my heart and soul are free

I can live my life now
As if each day could be my last
I take each moment as it comes
I don't think about the past

Please don't feel sorry for me
I'm happier than I was
Life is just much different now
Since I've taken time to pause

Cancer will not beat me
I won't let it have its way
If when I wake each morning
I am thankful for the day.
