

## Now Only One of Us Remains

Now Only One of Us Remains Patricia Goedicke

From: *Her Soul Beneath the Bone*. University of Illinois Press, 1988

Now that the wave has come and gone

Where are my feelings

Now that the sky has darkened and then lightened

Where are my feelings

Looking at myself in the mirror who is it,

Who is that lopsided stranger

Washing up and down the shore

Now I have lost my right arm

Where are my feelings

Heart flounders in the surf,

The crabs have it but where is it,

Now I am standing on a beach high and dry

Looking for my feelings

Now only one of us remains

Where are my feelings
